OFF LIMITS

Dogs won't be able to access the Walled Garden or Orchard Kitchen, however there are over 200 acres of Arboretum and Woodland Walks to discover.

KEEP CONTROL

Make sure you're with your dog and keep them on short leads at all times.

PICK UP YOUR POO

Please clear up after your dog and use the dog waste bins provided. You can spot them by their grey bins or by using the visitor map.

BE WILDLIFE AWARE

While your dog is exploring the grounds, please make sure they don't damage the plant or trees, or frighten the wildlife.
